

# Using the Schedule

The Trolley runs Monday - Saturday excluding major holidays (New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas Day).

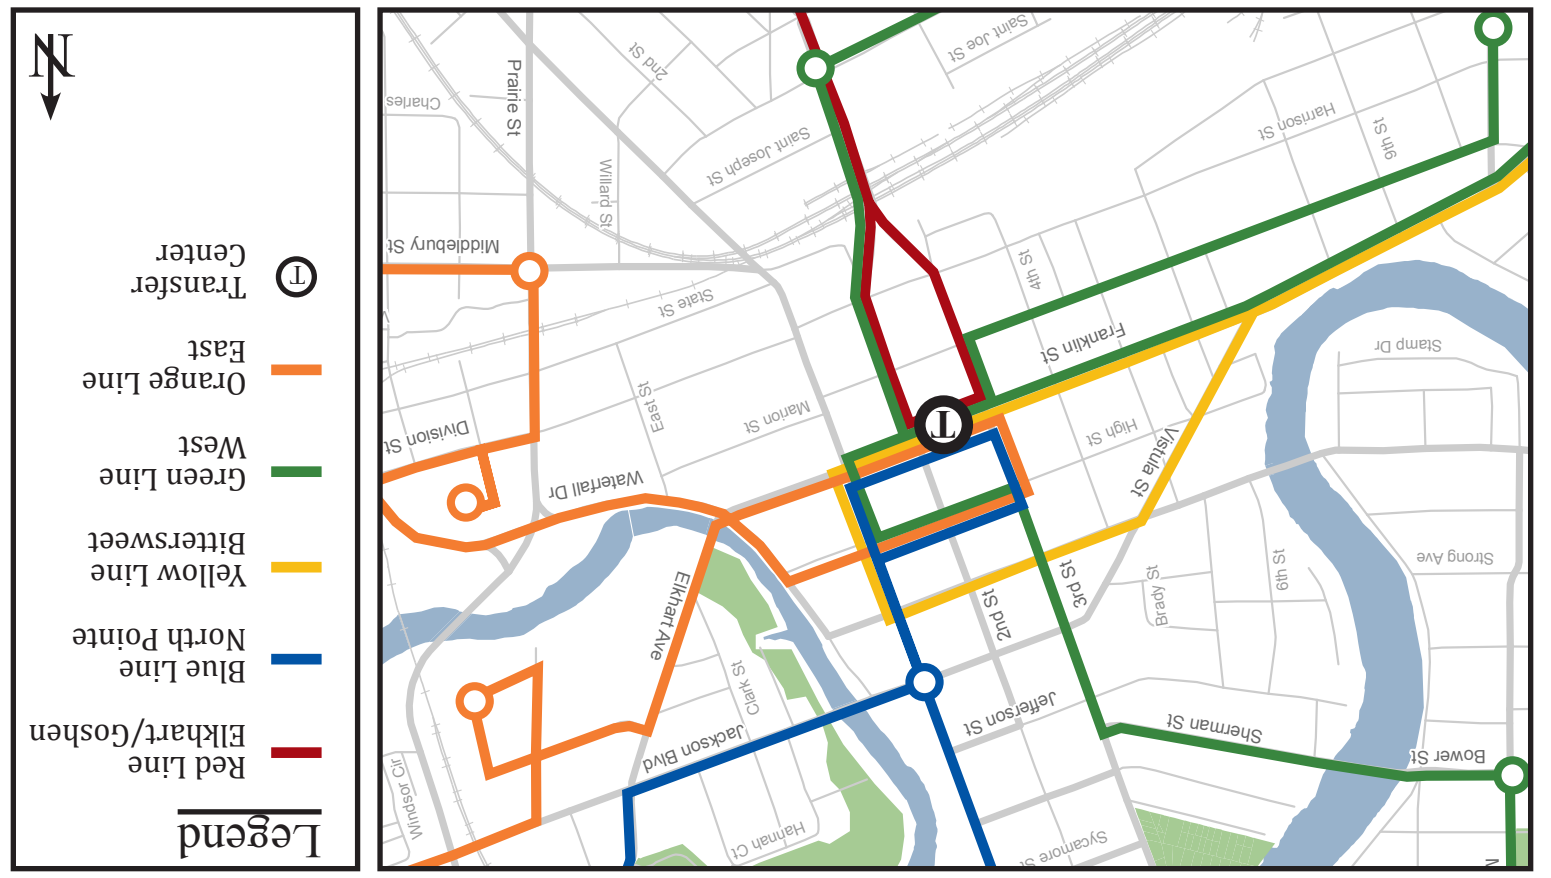

Look at the sample schedule below. At the top of the schedule are the time-point locations along the route. This will give you a general idea of the arrival time of the Trolley at locations along the way. Make sure you are at the stop 5 to 10 minutes early if possible.

**A** Locate the time point nearest your destination and, in the column below it, find the time closest to when you would like to arrive.  
Example: You would like to get to College & 15<sup>th</sup> in Goshen around 2:30.

**B** Then locate the time-point nearest to where you'll be boarding the Trolley.  
Example: You will be boarding the Trolley at the Concord Mall.

**C** By matching up the corresponding time in your boarding column to the one in your destination column, you can estimate when to expect the Trolley at your boarding location.  
Example: Catching the Trolley at 1:45 at the Concord Mall will get you to College & 15<sup>th</sup> at 2:15.

Downtown Elkhart Routes

## Bus Stop Catching the Trolley

You can catch the Trolley at the stops listed in the brochure. The Trolley will stop at these locations, OR at a four-way intersection with safe pedestrian access along the route. Please wave as the Trolley approaches so the driver knows you would like to board. (Note: The Trolley only stops on US 33 at designated stops, due to traffic conditions.)

## Riding the Trolley

Have exact fare ready when you board. The farebox accepts coins and dollar bills. If you need a transfer, be sure to ask when you board the Trolley. Take your seat as quickly and safely as you can. All Trolleys are lift-equipped; if you use a wheelchair, then you must use the lift. The driver will assist you with boarding and wheelchair securement. Ambulatory riders or riders with their wheelchair weighing more than 600 lbs may not use the lift. For bicyclists, bicycles belong on the bicycle rack at the rear of the Trolley. If the rack has reached its capacity, then you must wait for the next Trolley (bicycles are not allowed in the Trolley).

## Getting off the Trolley

Before you approach your destination, pull the stop request cord by the windows. The bell informs the driver to stop at the next available location. Please exit as quickly and safely as possible. If you're in a wheelchair, the driver will stop and assist you off the Trolley. Bicyclists must remind the driver that they need to remove their bicycle from the rack.

## Paying Fares

**Exact fare required** - Drivers do not carry change.

**Regular Fare:** \$1.00 per person for a one way trip.
